

# OUR SERVICES OFFERED

Extend Curtain Lifecycle, Reduce Operational Costs, and Build Your Bottom Line.

## Nationwide installation

We use only in-house installers to give us complete control over the process – to ensure your installations are completed properly, on-time and exceed your expectations.

## Antimicrobial Treatments

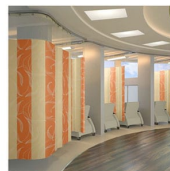

Our antimicrobial treatments are non-toxic, non-leaching, non-depleting, and EPA registered, to help prevent “superbugs” and hospital-acquired illnesses, without harming the environment.

## Repairs and Alterations

We help you retool, reuse, and recycle your curtains to keep them looking great, extend their lifecycle, and reduce your total cost of ownership.

## Maintenance Program

Our comprehensive curtain maintenance services give you peace of mind that the right curtains get cleaned, at the right time, to maximize your curtain investment and ensure compliance with healthcare regulations.
